

Wave goodbye to winter. NO activation fees & NO service fees for 2 months. Starting April 1st, no joke!

It would be foolish not to jump on these savings. Let net2phone Canada spring your business communications into action, without the added worry of service & activation fees for 2 whole months.

April transformations lead to better communications.

During this limited time offer, digitally transform your business communications this spring with 2 MONTHS FREE VoIP service & ZERO activation fees when you sign up for one of our packages in the month of April. Enjoy an entire suite of cloud-based business phone and analytical features, powered by a reliable, Canadian-based unified communications system that revolutionizes your daily work schedules.

Maximize your staff connectivity with business phone and video conferencing options and save.

Legal Disclaimer

*Valid on orders closed between **April 1, 2021** and **April 30, 2021**. Orders must deploy by June 30th, 2021 and include a term agreement of a minimum of 36 months to qualify for this promotion. A promotional credit for the value of the two months of recurring monthly service fees will be added to the customer account and will apply to the first 2 full months of service after initial activation date. All applicable taxes, hardware, and one-time fees are not included in this promotional credit and will be billed on the first invoice. Cannot be combined with other promotional offers. Applicable to initial deployment activations only, not applicable to future activations or seat add-ons.*
